

# MTC Regional Pedestrian and Bicycle Training Workshop

Join us for an interactive workshop conducted by Fehr & Peers and Eisen | Letunic aimed at providing the latest bike & pedestrian design tools to practicing transportation, urban planning, engineering & design professionals.

Highlights will include:

- Walkabout: join instructors on a 1-hour walk to observe & discuss common design concerns & solutions
- Trends: Safe routes to school & transit; pedestrian safety plans
- Design innovations & updates re ADA, bike boulevards, trails, road diets, roundabouts, crossing treatments
- Review of MTC's Complete Streets
